30 MILLION ON TREATMENT BY 2020

AHF Global

- **AHF is based in LA, California and currently operates in 42 countries up to 2018, including 10 countries in Asia, serving more than 1M clients worldwide last Oct 2018.**
- **AHF is a non-political, non-sectarian, non-profit making, humanitarian NGO (Regd. In 1987)**
- **AHF Mission: Providing cutting-edge medicines and advocacy regardless of ability to pay**

AHF Cambodia's Background

AHF Cambodia established in late 2005.

Care and treatment department:

Working closely as partnership with MoH, NCHADS, PHDs, and the MoD through Preah Ket Mealea and Regional 5 Hospitals and also with many local NGOs and PLHIV groups/networks.

Prevention department:

Provide and support free HIV testing & counseling, HIV education, condom promotion & distribution through the drop-in centers, mobile Van testing teams and government testing sites, including Impulse.

Advocacy and Marketing:

Co-organizer of special events such as the World AIDS Day (WAD), World TB Day, International Women Day, and International Condom Day (ICD), which include HIV education & testing and condom promotion & distribution.

AHF Cambodia's Program Strategy

- 1. Increasing access to treatment and care services,**
- 2. Improving and expanding prevention, testing, & linkage,**
- 3. Partnering with NCHADS, NAA, the Provincial Health Department, MoD of health Department, local NGOs and PLHIV group/networks.**
- 4. Improving quality of service delivery and building the capacity of marginalized populations**
- 5. Conducting advocacy & marketing works.**

AHF Program Activities

- **Provide operational support for the ART clinics:**
Specimen Transportation support, some lab investigation support, some medicine (OIs) support, stationary and minor renovation.
- **Support PLHIV volunteers, Provide health care providers where needed based on approved budget:**
clinicians, counselors, nurses, data capturers.
- **Join to organize and support clinical management training, HIV testing and Counseling training, CME, clinical case discussion meeting & call and training for peers & marginalized groups.**
- **Conduct and support community based rapid HIV testing, and facility-based HIV testing and linkages.**

AHF Program Activities (cont.)

- **Publish and distribute HIV, TB, HTC IEC and BCC materials,**
- **Conduct and support meeting with stakeholders (CQI, Pro-TWG, Peer network),**
- **Conduct and support Clinical mentoring,**
- **Conduct training on M&E framework for staffs, implement M&E activities as per the M&E country plan,**
- **Organize and support different advocacy event/campaigns.**

Key Achievement

- **Supporting 38 ART sites as of 66 sites in countries in 18 provinces of 25, including municipalities**
- **5 drop-in centers in 5 provinces including municipality Phnom Penh**
- **One Mobile Van Testing operated with MoD and will 2nd MVT in 2019**
- **The program is operated independently by local staff**

Fund The Fund Campaign on May 05th 2016, AHF Cambodia

- 40 participants from AHF Cambodia, CPN+ and other NGOs submitted the AHF position and petition letter on Fund The Fund to Embassies of China, Japan and Germany on May 19th 2016.
- The team was welcomed to go inside the Germany embassy to submit the letter.

Fund The Fund Campaign on May 05th 2016, AHF Cambodia

- **Cross-border coordination meeting** between provincial authorities of Cambodia and Vietnam was organized on September 13th 2016, participated by directors of provincial health departments and local authorities, and facilitated by AHF Cambodia and AHF Vietnam, with the aim to discuss the mechanism of transferring HIV positive clients across countries so that clients get access to treatment on time.

To promote HIV prevention, condom use and HIV testing and treatment, a **workshop on Integration of HIV/AIDS key messages in public communication during the Water Festival** was organized on November 03rd 2016 by the National AIDS Authority (NAA) in partnership with AHF Cambodia, KHANA, CPN+, PSK and others organizations. Most participants were famous Cambodian TV & movie stars, singers, comedians, and other individuals who may play key role in communicating to the public during the Water Festival 2016.

The workshop was honored by H.E Ieng Mouly, senior minister and chairman of national AIDS authority and other Excellency from ministry of agriculture, tourist and chairman of the Khmer artist association.

- AHF Cambodia in partnerships with National AIDS Authority, Phnom Penh Municipality, Provincial health department and NGO partners, conducted **HIV/AIDS awareness & testing campaign during the Water Festival** on Nov 03-04th in Svay Rieng and Nov 11-13th 2016 in Phnom Penh to promote Test & Treat and condom use.
- In total, 11 519 people had been reached for HIV education, 32232 condoms were distributed and 873 clients got HIV testing with 3 clients found positive.
